Greenville, SC

Leadership

- **Preston Residential College:**

Preston is a Leadership residential college. It's the only residential college on campus and it's modeled after Oxford residential colleges. Preston gives a lot of opportunities to become a leader, and it helps me with learning how to network with others.

- **Treasurer on the executive board of Presten ambassadors (Preston only organization):**

As the Treasurer I work budgeting for all the events we host at Preston Residential College, and I do all the graphic designing for all are flyers.

- **Senator for the Historic neighborhood and National Communications Coordinator – In Training (NCC-IT) of Residence Hall association (RHA):**

As a Senator and NCC-IT I do a lot of community work, social media, and planning. To help and support everyone at the University of South Carolina and to make them feel like they are at home.

- **Vice-President on the executive bord of Green Thumbs (Preston only organization):**

As the Vice-President I work on finding and planning with people on how to make are natural life around campus better and finding community service opportunities to help build are community.

Personal development / Awards

- To further advance and promote my personal brand I learned the following topics: Java – HTML – Website design – CAD design – Creating designing for lazier printing.
- Used this knowledge to help my high school FTC robotics team win 4th place in state, Western District 1st place, the Inspiration award, won the Imagery award in FRC, Qualified to state in FRC two years in a row, Think Award FTC, Second place in Innovate Award FTC, and District Championship Semi-Finalist Dean's List FRC for leadership.
